Dear Mr. Borglum:

I received your letter of April 18,
and I understand that you want me to come
by the 1st of May. But this will be
impossible for me because I have some
small jobs to complete. As soon as I
have finished these I will be glad to
come.

I would like to hear from you concerning
the amount of wages I will receive per
day.

Very truly yours,

Luigi Del Bianco
